

# Introducing the 5-day HELOC

The last thing you want is to get bogged down in complex financing jargon. With our simple 5-minute approval and 5-day funding<sup>1</sup>, you'll all be well on your way in **FIVE**:

**F**

## Flexible loan amounts & Fico

**Up to \$400k<sup>2</sup>:** Figure customers can borrow up to \$400,000, giving them the funds they need to complete larger projects without worrying about limited financing.

**Minimum 640 FICO:** Generally, a FICO score of at least 640 is required for approval.<sup>3</sup>

**I**

## Innovative financing

### Process + funding:

With Figure, borrowers get approved in as little as 5 minutes, and funding can be initiated in as little as 5 days<sup>1</sup>. No long waits or piles of paperwork, just reliable, fast financing at rates that are lower than personal or solar loans.

**V**

## Variety of uses

### Use it for anything:

Whether it's solar panels, ADUs, pools, landscaping, or any home improvement project, a Figure HELOC can be used for just about anything.

**E**

## Easy, transparent, no surprises

### Fixed rates, clear terms:

With fixed rates<sup>4</sup>, there are no surprise dealer fees or interest rate hikes. Borrowers know exactly what they're paying from start to finish.
